I'd like to lock all the city execs and lax enforcers in Heather's home on a weekend to see how they like it. They could then deal with the careless drivers who leave and trap her in, smokers who say they want to burn those homes down, kids who pee on her walls, drones overhead, and then clean up the trash, condoms and joints left on the ground.

I totally understand why she and others are moving. The area is uninhabitable.

Mr Castro, Ms Dusseault et al.,

We have known for months that the big holidays in December would be a huge problem in our neighborhood, with unprecedented numbers of cars and pedestrians, in a severe high-fire hazard zone in a residential area that has no sidewalks; crumbling, narrow substandard streets. no regulation and no infrastructure.

DO YOU NOT SEE A PROBLEM HERE? The residents are UNABLE to get IN OR OUT OF THEIR HOMES.

These photos were just taken, on 25 Dec 2015, between 16:30-17:00, at the corner of "dirt" Mulholland and Ledgewood Drive.

We are (again) REQUESTING IMMEDIATE CLOSURE OF DIRT MULHOLLAND, as well as REDIRECTING ALL NON-RESIDENT TRAFFIC AWAY FROM CANYON LAKE DRIVE.

Perhaps you should be privy to this letter addressed to Mike Feuer:

I have also CC'd the CA Department of Justice, as there is currently no law and order in the community under the Hollywood Sign. There is no regulation, no monitoring, no control. It is utter chaos and putting the residents and all of the visitors at risk EVERY SINGLE DAY.

Enough of this charade. Your alleged "extra enforcement" is quite obviously GROSSLY INADEQUATE.

Thank you Rio and Heather for your "boots on the ground" reporting.

It is my understanding from well placed sources that the alleged activities of both past and present civil servants acting on behalf of the various City of Los Angeles departments responsible for this catastrophic debacle will become unraveled shortly.
